### Irene Grandi, “Finalmente io” (2020)

English text (with slight modifications): <https://lyricstranslate.com/en/finalmente-io-finally-i.html>

I lose my house keys,  
And I lose almost every game,  
My loves thrown away in bulk,  
I never remember where I put them,  
Thrown with the shopping list into the last drawer  
As messy as a laugh,  
And even more lively than life,  
In love with freedom,  
I've lost all patience and every weakness,  
Always angry, always wrong,  
And still like this  
Forgive me now,  
Otherwise it's the same,  
I'm made like this  
But when I sing, I feel great  
You know that when I sing,  
Finally, me  
I feel enchanted and the world is mine  
And if you miss me  
Then don't say it now,  
For this is my place  
Finally, me!  
Ok, ok! I'll apologize if you want,  
Even if I don't feel like it  
In love with freedom,  
I've lost all patience and every weakness,  
If I'm nervous, if I'm confused,  
If I've never told you yes,  
If you want to have sex,  
Let's do it now, here,  
Here!  
Always angry, always wrong,  
And still like this,  
Let's do it now,  
Otherwise it's the same,  
I'm made like this,  
But when I sing, I'm feeling great  
Yes!  
You know that when I sing,  
Finally, me  
I feel like a knock out

And the world is mine,  
And if you miss me  
Then don't say it now,  
For this is my place  
But when I sing,  
I'm feeling great  
Yes, you know that when I sing,  
Finally, me  
I feel enchanted,  
And the world is mine  
And if you miss me  
Then don't say it now,  
For this place is mine,  
Finally, me!  
Finally, me  
Finally, me  
Finally, me  
Finally, me
