Viaggio sola (2013)

Waiter: Good morning, Ms. Lorenzi. Please sign this. Thank you, goodbye.

Andrea: What did he do wrong?

Sig. Lorenzi: He didn't pour the wine into my glass.

Andrea: Do you know what upsets me more than anything—?

Sig. Lorenzi: Sorry.

Andrea: What are you doing—?

Sig. Lorenzi: Hang on. The wine is two degrees hotter than it should be. And the soup must be at least 40 degrees and it's not.

Andrea: A tragedy!

Sig. Lorenzi: Well, yeah, I know... I have to deal with the serious problems of humanity. There, done. Yes?
